Forecast For East of England
Issued by Met Office Exeter
at 1600 on Tuesday 21 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloud generally breaking to allow overnight frost. Wednesday brighter.

This Evening and Tonight:
Remaining dry and cold. Cloudy start for most areas. Clear spells developing overnight as cloud breaks and clears. This leading to a frost for most areas by the end of the night. Perhaps cloudier towards the coast. Winds light. Minimum temperature -2 deg C (28 deg F).

Wednesday:
A bright and frosty start. Cloud thickening through the day, with chance of patchy light rain later, Most parts remaining dry though. Feeling cold. Maximum temperature 6 deg C (43 deg F).

Outlook for Thursday to Saturday:
Thursday and Christmas Eve cloudy and breezy with some rain. Milder. Probably turning colder and windy on Christmas Day, with some rain and a slight chance of snow. Coastal gales.
